

"Such a peaceful spot. We enjoyed exploring the property, drinking coffee and playing endless games of scrabble. Our pup was in heaven running around off leash exploring with us. Beautiful studio - we would love to return again in warmer months." - 12/20/2020

"Thank you for an amazing week!! From picking us up when we couldn't make it up the hill, to making recommendations, to checking in... You guys are great hosts. Here are just a few things we enjoyed from our "COVID" Christmas trip:

1. Walks on BLM and National Forest Land
2. Dog sledding with Durango Dog Ranch
3. Sleigh ride at Rapp Corral
4. Day trip to Telluride
5. Polar Express Train Ride
6. Lots of napping, reading and game playing with our three year old. Our "Old men" dogs had a blast too!

We have loved having a week at the gorgeous location to rest, reflect and recharge our batteries after the crazy year. Cheers to 2021!!" - 12/20-27,2020

"I spent a lovely birthday weekend here. Soaked at Durango Hot Springs, hiked at Mesa Verde National Park, Drank wine and most importantly rested and relaxed. Thank you Mark & Jody for creating such a lovely oasis for us Denver city folk." - 11/9/2020

"The Harmony Barn is by far the best place to stay in all of Colorado. The views are

amazing, the locals are friendly, and the entire trip was fantastic. Things here remind me that the world is a big place. Mark and Jody have made this place into something special. We can't wait to come and enjoy it all over again!" - 11/22/2020

"ELECTION DAY! Here's hoping for the outcome our country needs! We had a great time here keeping our minds off the news and our eyes off our screens. Mesa Verde - stunning of course, and thank you for the Sand Canyon recommendation. We hope to be back to Harmony Barn very soon!" - 11/3/2020

"The Harmony Barn has been an awesome place to stay for the week. The location, locals and scenery made for the perfect getaway from Texas." - 10/30/2020

"Harmony Barn has been such a fantastic home base for an adventurous stay in Southwest Colorado! The views 360 degrees outside and the comforting setup inside mad for an all-around beautiful visit. The hosts are so caring and accommodating, which made for an even better weekend getting to know the area. You can't beat a sunrise with coffee on the deck or a sunset to the West! Grateful for this wonderful visit and will be back as soon as we can!" - 10/19/2020

We love our lovely landing spot! So much thought and attention to setting up this getaway! We enjoyed hiking in Canyon of the Ancients (Sand Canyon), Falls Creek meadow hike, and walking along the Animas River trail. Jody is great at providing hiking ideas. Jody also gave good recommendations for where to go in town. We had a fun day with lunch and shopping in Durango. Jody and Mark are interesting and engaging hosts - you will love them! We had a blast!" - 7/24-27,2020

"My sister and I were dying for a getaway and this was the perfect place! We enjoyed Mesa Verde, Lake Nighthorse and the cosy and adorable town of Mancos. It was everything we needed and more. Thank you for your hospitality and for creating an amazing home away from home."- 8/6-8,2020

"What a beautiful and magical place. It was so peaceful! Our children created art on the deck with the watercolors while a few bucks enjoyed a snack below. Enjoy this gem! Thank you for sharing it with us!" - 8/10/2020

"What a wonderful getaway! This was the perfect place for us to spend our anniversary. We enjoyed hikes in LaPlata Canyon and Echo Basin, where we had the trails to ourselves, as well as enjoying all Durango has to offer. The soft pretzels at Mancos Brewing were the best we've ever had, and brunch at

Absolute Bakery and Cafe was delicious. Mesa Verde was beautiful (and quiet in the morning) in the evenings, we loved being here! We sat on the deck and stargazed every night. We love it here! Thank you for such an excellent stay."

"What a beautiful spot to be for a couple of days. Total comfort and everything we could've needed. Stunning sunsets and beautiful sunrises on the deck. Discovered great food at the Absolute Bakery and excellent IPA at the Mancos brewery. Just a short drive to Mesa Verde, we spent two hours enjoying the ruins with no crowds. Jody and Mark are wonderful hosts!" -8/18/2020
